

**CALL FOR PAPERS FOR THE 5th edition of TUS Nordics
(formerly known as Nordics UAS Event)**

SHARE YOUR EXPERTISE WITH THE UNMANNED SYSTEMS INDUSTRY

SUBMIT YOUR ABSTRACT TODAY

From the 10 – 12 October 2017, Scandinavia's Unmanned Systems industry will gather in Odense, Denmark for the TUS Nordics Conference & Exhibition.

We invite proposals for paper presentations/panel sessions. We are looking for industry leaders sharing their knowledge for the following Unmanned Systems related topics:

- Maritime Applications
- Offshore & Energy
- Arctic
- Agriculture
- Drone Operators
 - Media
 - Inspection
- Security & Safety
- The Future of Unmanned
 - Cargo & Delivery
 - Geo Mapping
 - Construction
 - Conservation

If you would like to present, start by submitting a proposal. Please provide us with:

- Presentation title
- Short description
- Biographical information

Abstracts from Unmanned Systems specialists will undergo an objective peer review by a committee formed by industry experts and universities, managed by the TUS Nordics conference team.

The best abstracts entered will be invited to speak in a session.

Take this opportunity to share your knowledge, communicate your vision, and be at the heart of the Unmanned Systems industry!

Please take note of the deadline of July 31st to submit your abstract for presenting at TUS Nordics Conference.

Do not miss this opportunity to take part in this international event!

We appreciate your interest and input!

Please send your abstract to: info@robobusinessmedia.com using Call for Papers as subject.
